

Plot report-October 13, 2020

Our current waitlist has 161 people on it. The breakdown of desired plots is shown below. Currently, we have one half plot in the process of being filled. We also have a full plot coming up at the end of October. I have contacted Sule Surenoglu (Rauf's widow) regarding her plot but have not heard back from her yet. I will contact her again soon.
