

Plot report-July 2021

Currently, there are two quarter plots and four half plots available. I have been contacting people but I'm having trouble with people responding to me. Several of the plots need work to make them good enough to assign.

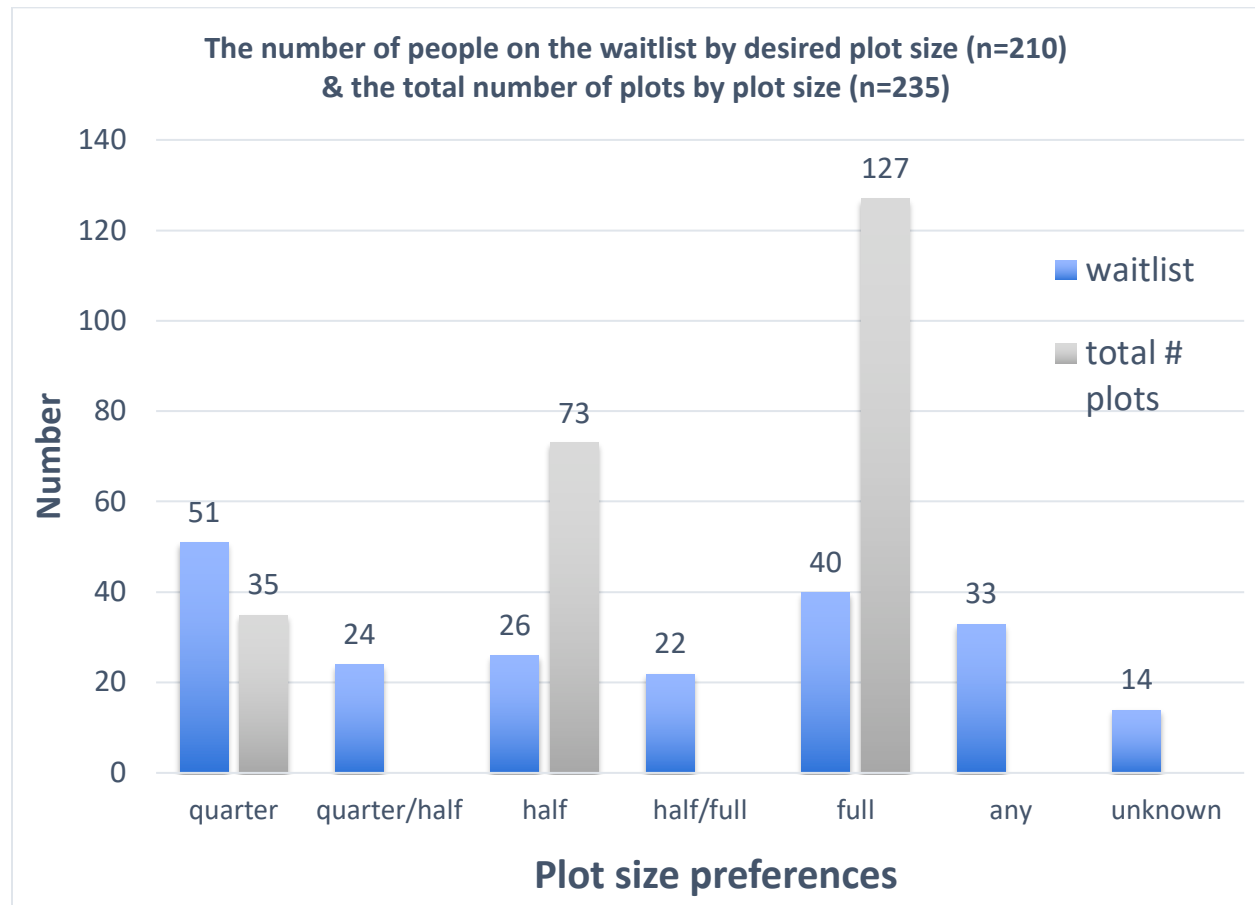

Table 1. Number of plots vacated since May. The full plot is actually two half plots gardened by the same person. One of the half plots will come up at the end of July.

Plot size	F	H	Q
Total	1	3	2
Moved too far away		2	1
Too busy	1		
Failed to clear		1	
Took a plot at the wrong time			1
